Placement in accelerated courses will be determined by standardized test scores, academic progress and teacher recommendation and approved by Doral Academy administration.

- Class changes will not be made to request a specific instructor.
- The administration may, due to enrollment and staffing changes, balance course sections by transferring students from one class and/or teacher to another section. Every effort will be made to ensure a smooth transition for students.
- Requests for schedule changes are considered for the following specific educational reasons:
 - Misplacement in an academic area
 - Successful completion of summer school course work
 - Failure to achieve a passing grade in core academic classes or failure to meet state proficiency standards (placement in an intervention course for the period
